To whom it may concern,

Re: EDSS

EDSS are a professional and well run company that I would have no hesitation recommending to anyone in the industry.

They are efficient, meet time lines, and are easy to work with. They have formed a good working relationship with us, and I will definitely be engaging them to perform further works for us in the future

Please contact the undersigned if you require further information.

Yours faithfully,
St Hilliers Constructions

Daniel Hinton
Project Manager
