

Dakabin State School Transformation

Dakabin State School

CLIENT: Matrix Projects
LOCATION: Dakabin, QLD
PROJECT VALUE: \$271,330.00
CONTRACT PERIOD: 14 Weeks
COMPLETION DATE: May 2011

PROJECT DESCRIPTION

Dakabin State School has undergone a transformation with the addition of two new buildings, a storage shed and the long awaited car park lighting.

The new library has numerous multipurpose rooms incorporating the most recent innovative technologies leading this school into the 21st century's learning revolution.

The school now boasts a new life-skills building, featuring a kitchen and servery along with a hall and lots of open space.

Electrical Data and Security Services have once again delivered outstanding results by adhering to the builders program and ensuring the highest quality workmanship was produced. Our scope of works included:

- Communications
- Distribution
- Security
- Lighting & Power Installation

Additionally our safety management system was well maintained, even with the curiosity of excited students.
