

Australian Federal Police Building

Lobelia Circle, Brisbane Airport

CLIENT:	Matrix Projects QLD Pty Ltd
LOCATION:	Lobelia Circle, Brisbane Airport
PROJECT VALUE:	\$1,600,000.00
CONTRACT PERIOD:	52 Weeks
COMPLETION DATE:	December 2012

PROJECT DESCRIPTION

Electrical Data & Security Services took on the entire fit out of all electrical, security, fire and data works within the construction of the new Australian Federal Police building located in Lobelia Circle, close to the Brisbane Airport. The structure is a six (6) storey commercial building including an underground car park with rooftop access.

Included in these works EDSS installed an advanced lightning protection system and standby generator system. This modern complex is built to an energy efficient 4½-star Green Star rating and was completed in December 2012.
